

STUDENT WORKSHEET: Farm Safety ACE Reflection Activity

Name: _____

Use this activity to reflect on a range of farm safety practices.

Which farm safety topic are you reflecting on?

Animal Handling <input type="radio"/>	Chemical Safety <input type="radio"/>	Electrical Safety <input type="radio"/>
Emergency Procedures <input type="radio"/>	Machinery Safety <input type="radio"/>	Noise Safety <input type="radio"/>
Quad Bike Safety <input type="radio"/>	Tractor Safety <input type="radio"/>	Workshop Safety <input type="radio"/>

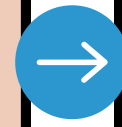

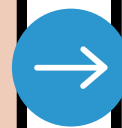

SAFETY ACE MODEL

Based on the Safety ACE model, consider two factors you would need to **ASSESS** and potentially **CHANGE** before **ENGAGING** with this type of farming activity.

I would need to ASSESS...

I might have to CHANGE...

STUDENT WORKSHEET: Farm Safety ACE Reflection Activity

DESIGN A POSTER that could be displayed on a farm. The poster should inform workers about safety issues relating to a task relevant to this topic. Include information about the safety factors that need to be considered when:

- preparing for the task,
- carrying out the task,
- the task has been completed.

STUDENT WORKSHEET:

Farm Safety ACE Reflection Activity

Television and web-based advertising campaigns can be effective ways to spread safety information to large numbers of people.

DESIGN AN ADVERTISING CAMPAIGN that teaches people about this farm safety topic. Consider the images/footage you would use and the information you would present to effectively convey your safety message. Use the storyboard below to present your ideas.
