

WHO AG YOU? BEEKEEPER

1. Do I manage animals that primarily produce honey, or do I focus more on pollination services?
2. Am I known for handling animals with distinctive stripes and a buzzing sound?
3. Do I live in a hive that can hold thousands of my fellow workers?
4. Am I often associated with flowers, especially in the spring and summer?
5. Do I manage a crucial role in the ecosystem by helping plants reproduce?

CAREER HARVEST

WHO AG YOU? FORESTRY ENGINEER

1. Do I work primarily with trees and their growth processes?
2. Am I involved in managing sustainable forest practices?
3. Do I use tools like GIS (Geographic Information Systems) to analyze land use?
4. Am I focused on the health of ecosystems, including wildlife habitats?
5. Do I collaborate with government agencies and environmental organizations to promote conservation?

CAREER HARVEST

WHO AG YOU? NURSERY WORKER

1. Do I primarily care for young plants and seedlings?
2. Am I knowledgeable about different species of flowers and trees?
3. Do I spend a lot of time watering, pruning, and transplanting?
4. Am I often found in a greenhouse or outdoor garden area?
5. Do I help customers choose plants that will thrive in their specific environments?

WHO AG YOU? ANIMAL ATTENDANT

1. Do I care for a variety of animals, including feeding and grooming them?
2. Am I often found in a shelter, zoo, or veterinary clinic?
3. Do I help with the training and socialisation of animals?
4. Am I responsible for monitoring the health and behavior of the animals in my care?
5. Do I interact with the public to educate them about animal care and welfare?

CAREER HARVEST

WHO AG YOU? AQUACULTURIST

1. Do I raise fish or shellfish in controlled environments?
2. Am I concerned with water quality and its effects on aquatic life?
3. Do I often work in freshwater or marine settings?
4. Am I involved in breeding programs to enhance species populations?
5. Do I focus on sustainable practices to minimize environmental impact?

CAREER HARVEST

WHO AG YOU? CHEESEMAKER

1. Do I work with milk to create a variety of cheeses?
2. Am I involved in processes like curdling, aging, and flavoring?
3. Do I often experiment with different types of milk, such as cow, goat, or sheep?
4. Am I skilled in techniques like rennet addition and fermentation?
5. Do I create artisanal cheeses that are often sold at farmers' markets or specialty stores?

CAREER HARVEST

WHO AG YOU? WHEAT FARMER

1. Do I grow crops primarily for grain production?
2. Am I concerned with soil health and crop rotation practices?
3. Do I often use machinery like tractors and combine harvesters in my sowing, crop management and harvest?
4. Am I involved in monitoring weather conditions that affect my harvest?
5. Do I sell my wheat to be used in products like bread, pasta, and cereal?

CAREER HARVEST

WHO AG YOU? SHEARER

1. Do I specialise in cutting the wool from sheep?
2. Am I skilled in using specialised tools like shears or clippers?
3. Do I work outdoors, often in rural or farm settings?
4. Am I concerned with the health and comfort of the sheep during shearing?
5. Do I often travel to different farms during shearing season?

WHO AG YOU? CANE FARMER

1. Do I grow crops primarily for sugar production?
2. Am I often found working in large fields of tall, leafy plants?
3. Do I use machinery like harvesters to gather my crop?
4. Am I concerned with managing irrigation and soil health for optimal growth?
5. Do I play a role in the seasonal cycle of planting, tending, and harvesting?

WHO AG YOU? WINE MAKER

1. Do I work with grapes to produce various types of wine?
2. Am I involved in processes like fermentation, aging, and blending?
3. Do I often taste and evaluate wine to ensure quality and flavor?
4. Am I knowledgeable about different grape varieties and their characteristics?
5. Do I manage a vineyard and oversee the growing conditions for my grapes?
